Dear Rolando De La Caridad Valdes Hernandez,

We are pleased to enclose your Statement of Comparability.

Your qualification evaluation has been carried out carefully by experienced credential evaluators. The evaluation expresses how the overall level of a qualification compares to qualifications in the UK. This comparability relates to the qualification itself - your individual marks or grades do not play a part in qualification comparison.

There is more information about your evaluation on the reverse of your statement. You can read more about our methodology and evaluation criteria at www.ecctis.org.uk/methodology

Your statement has a number of security features. These make altered statements easier to detect. Employers, trade and professional bodies, and educational institutions can also contact UK ENIC to verify statements. These measures protect the integrity and value of your UK ENIC statements.

If you have queries or if you require further assistance, the easiest way to contact us is to go to www.enic.org.uk and log-in using your UK ENIC registration details. There, you can use the online messaging to contact our customer service team. Alternatively you can telephone us on +44 (0) 330 912 0030.

Please note that we are unable to deal with queries about your statement after six months from the date of issue.

UK ENIC evaluations are not binding and have no legal force - their status is as guidance only. The final decision about suitability of a qualification or person for a study place, job, or trade/professional status always rests with the admitting body.

We respect your data and your privacy and it is our policy that information relating to an individual application will not be passed on to, or discussed with, third parties without the prior consent of the applicant.

Yours sincerely
